- Significant cost savings compared to the OEM
- 100% satisfaction no risk one-year guarantee from date of purchase
- ISO 9001:2001 Certified, STMC Qualified ensures OEM equivalent performance
- Multiple distribution centers for 1-3 day delivery nationally
- Made in the USA and Canada

ENVIROMENTAL IMPACT

- Over 500 million laser and inkjet cartridges are consumed each year, less than 25% of these cartridges are recycled.
- Annually the aftermarket imaging supplies industry reclaims over 42,000 tons of empty toner cartridges that otherwise would be sent to landfills.
- Each compatible cartridge that is manufactured saves approximately 1 gallon of oil. This saves 11 million gallons of oil every 6 months.
