

WHY CHOOSE OUR

PREMIUM COMPATIBLE TONER CARTRIDGES

Made in the USA and Canada

Save Money without Sacrificing Quality

- Our products are made in the USA and Canada while a majority of other toners are manufactured overseas.
- Significant cost savings when compared to the OEM
- Mature and technically advanced, quality is equal to the OEM

Manufacturing Quality Standards

- **ISO 9001:2000 and STMC Certified Quality Systems**
- Our quality is ensured from start to finish and no product will be delivered to our customer until its quality and conformance can be assured.
- Superior technical and development capabilities are utilized in the production of our products at the US and Canadian manufacturing facilities.

Guarantee

- 100% Satisfaction Guarantee
- For a period of one year from the purchase of any product from our company, we guarantee that under normal use and storage conditions, your product will perform to your satisfaction.
- If you are not satisfied with your product, we promise to resolve your problem quickly or refund your money.

Environmental Impact

- Each cartridge that is manufactured saves approximately 1 gallon of oil.
- Every 6 months the remanufacturing industry saves 11 million gallons of oil. This is equal to the amount of oil that was spilled in the Exxon Valdez disaster in 1989.
- Our boxes are composed of three layers of recycled material.
- No hazardous chemicals or resources are used in the manufacture of our boxes.
